AHMET FURKAN KUYULAR

Hello, I'm Furkan, I was born on 21 June 1997. I am a graduate of Pamukkale University Computer Programming Department, I have 5 years of experience in the software industry. I started my career with the Salesforce CRM application. I am currently working as a PHP developer. I have experience with Symfony and Laravel. I have taken part in important projects by adapting to the teams I have been in until now. I pay a lot of attention to writing clean code and the architecture on the code.

Thank You.
Regards,
